

## WM. R. HEBERLE STABLES, INC. REGULATIONS

1. **NO SMOKING-** in the barns. Dispose of your butts properly.
2. **Horses will be ridden and or handled by OWNERS and their IMMEDIATE family members ONLY.** Services provided by Heberle Stables will not be allowed by outside vendors or fellow boarders unless approved by management. If you wish your horse to have formal exercise or turn out while you are away or unable, please let management know and arrangements will be made.
3. **Lungeing – Not allowed while horses are in the ring unless agreed with riders. If becoming dangerous, then no lunging.**
4. **Due to limited space on the premises, no personally owned trucks or trailers will be stored.**
5. **Absolutely no outside dogs or other pets will be permitted on the farm to minimize chaos.**
6. **Boarders are responsible for their own personal maintenance. This includes:**
  - sweeping or raking up
  - picking up equipment
  - turning off aisle lights
  - returning gates, door, etc. to their original position.
  - Cleaning tack and blankets, pads.
7. **Please, if you or your horse drops anything, pick it up immediately.**
8. **It is suggested that the people riding outside the immediate stabling area go riding with a partner for their own safety.**
9. **HARD HATS ARE MANDATORY - Approved ASTM hats are mandatory for all junior riders.**
10. **A visual fence and gate check is required by everyone before any horse is to be turned out.**
11. **Because of the diverse situation of instruction. Heberle Stable students will not be allowed on privately owned horses unless approved by their instructor.**
12. **Jumping ONLY allowed during a lesson or with an approved ground person.**
13. **No horse is to be left unattended on the crossties. Equipment should be prepared and located at the crosstie area before removing your horse from the stall. Horses should be returned to their stalls as soon as possible to keep the aisle way clear.**
14. **Do not leave your brushes and other items in the alleyway.**
15. **Equipment will not be used without the owners' permission. If you borrow something (with permission), return it properly.**
16. **Barn Etiquette - Considerate riding and sharing of barn facilities is necessary. LESSONS HAVE PRECEDENCE.** During a lesson situation, all horses will work in the same direction according to the command of the instructor. We were all once beginners, please be courteous. If passing a horse going in opposite direction, it is to be done left shoulder to left shoulder, or calling a position.
